How soon until you're done with your school year? You only have about a month left?

We could spend some time together but I'd hate for you to be missing school.

I can miss schools they won't do anything unless it's more than 3 days

I would just need a note

Would u write one for me?

Or I just stick to visiting on the weekends 😊

I've got to get some sleep, you should try to do the same. ❤️

You can do the weekend

APR 30 AT 9:48 PM

I have to go into the office tomorrow. Normally that wouldn't be too bad but I'm still not 100% after my cold. I feel better but still have a cough occasionally and my voice is gone. I can talk in a whisper but if I try talking normally it's awful.

So much for being able to visit with coworkers while I'm in the office.

Friday I'll be back to working from home unless tomorrow wears me out so much I just stay in bed.
